„You'll die - NOW!" James hissed at Lars after having passed security control. "Without mercy!"

Lars stepped back but kept his beautiful Lars-smile.

"I don't know what you're talking about, dude," he slimily answered. "I always suspected about your secret longing about knitting pink, GAY scarves. We all have hidden wishes."

Kirk elbowed Jason, grinning.

Sweat covered James' forehead. He fumed.

Again, Lars stepped back. He feared to get smashed into the ground.

James smiled, patting Lars' cheek.

"I'm SO pleased about you, Larsie, Pink scarves can be of use."

"Eh?"

Again James patted Lars. "We've to please the ladies, too."
